Under the aegis of
**INDIAN ASSOCIATION OF
AESTHETIC PLASTIC SURGEONS**

Course Highlights

This two-day symposium will combine detailed lectures, live demonstration workshop as well as supervised hands-on-dissection on human cadavers. The purpose of this CME is to bring together surgeons performing facial aesthetic surgery to enhance their surgical skills and advance this growing field.

The emphasis will be on "hands on" experience with step-by-step explanation of several techniques by our experienced speakers.

The main highlights will be Basic steps in Rhinoplasty with Latest advances, Periorbital surgery and Anatomy related to injectables/fillers.

Our intention will be to teach delegates (especially residents/fellows) the basic surgical techniques, understand the facial anatomy, know the danger zones of the face to improve safety and efficacy when they perform such procedures in their practice.

Detailed Rhinoplasty Lectures with Anatomical videos will be presented by Dr Enrico Robotti with One-to-one Discussion. Our Esteemed National Faculty will also share their experiences and knowledge.

Course participants will receive a DVD of the entire educational program when they leave

Faculty

Dr. Enrico Robotti

Rhinoplasty and Facial Surgery

Professor Dr Enrico Robotti is one of the world's leading Plastic Surgeons in Rhinoplasty and Facial Surgery, Chief of the Department of Plastic Surgery, Ospedale Riuniti (now Papa Giovanni XXIII) in Bergamo Italy since 1997. Dr Robotti has organized 18 Live-Surgery courses in plastic surgery hosting renowned international surgeons. He founded and directed the "First Bergamo Open Rhinoplasty Course" in 2008, and since then it has become one of the foremost rhinoplasty symposia in the world. Since 2015, he also runs the "Bergamo Advanced Mini-fellowship in Rhinoplasty", a hands-on-course for a limited number of international surgeons with an interest in this field. He is the Founding Member of the "Rhinoplasty Society of Europe" (RSE) in May 2011, Vice President since 2012, and Elect President for the RSE Presently. Member of the Editorial Board of "Aesthetic Plastic Surgery concerning the subject Rhinoplasty. He sat for 6 years in the Advisory board of SICPRE (Italian Society of Plastic and Reconstructive Surgery). He was President in 2012-2013 and chaired moderator, panelist/invited speaker at a large number of national and international meetings. His passion for Rhinoplasty and teaching will now bring him for the first time to India as our international guest faculty at the India Facial Aesthetic Cadaver Course 2018.
