## MOT DE BIENVENUE

Chères et chers Collègues,

Si nous nous retrouvons « en live » en septembre 2020 à Lausanne pour notre congrès commun, cela signifiera de belles choses positives ! Nous aurons provisoirement bien traversé la pandémie Covid.

Le déconfinement nous permettra de nous côtoyer et de partager de bons moments professionnels et amicaux, mais sans effusion.

Pour beaucoup, ce sera un des seuls congrès 2020. Merci d'y participer par solidarité avec votre société, vos consœurs, confrères et représentants des industries. Ces derniers ont répondu très présent !

Nous sommes solidaires et je vous remercie d'avoir respecté les règles sévères, imposées par les politiques, que nous vous avons transmises. Chacune et chacun a dû gérer les problèmes professionnels, personnels et financiers pendant cette période difficile.

La vie reprend son cours et nos patients sont là.

Nous avons dû faire une sélection parmi les 86 abstracts reçus.

Venez nombreux au congrès commun et faire un petit tour en bateau sur notre beau lac Léman. J'ignore, à ce jour, si vous ne mangerez qu'un vague sandwich ou un buffet sympathique, mais je ferai au mieux ...

Bien à vous.

Patricia Roggero  
(Présidente SWISS PLASTIC SURGERY)

## WILLKOMMENSGRUSS

Liebe Kolleginnen und Kollegen

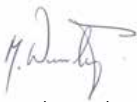

Wiederum führen wir als Schweizerische Gesellschaft der Ästhetischen Chirurgie (SGAC) und der «Swiss Plastic Surgery» (SGPRAC) einen gemeinsamen Kongress durch.

Unser diesjähriger Fortbildungstag vom Mai in Zürich mit dem Thema Augmentationsmastopexie fiel den Pandemie-Restriktionen zum Opfer. Wir werden diesen Tag jedoch am 8. Mai 2021 nachholen.

Das ästhetische Zentralthema ist dieses Jahr die Abdominoplastik und das Bodycontouring, vor allem auch im Zusammenhang nach grosser Gewichtsreduktion (bariatrische Chirurgie).

Ausserdem finden sich viele interessante Vorträge im Block der freien ästhetischen Mitteilungen, die den engen Verbund beider Gesellschaften repräsentieren.

Unsere beiden Gesellschaften wünschen Ihnen zwei lehrreiche und sonnige Tage in Lausanne mit vielen interessanten sozialen Kontakten.

Mark Nussberger  
(Präsident SWISS AESTHETIC SURGERY)
